DON G. BRIGGS  
President, LOGA

Dear Colleagues:

I feel very privileged to again be your Chairman for the 2011 Gulf Coast Prospect and Shale Expo (GCPSE), to be held on October 18th in Lafayette, Louisiana.

At this juncture in the up and down cycles to which we are accustomed, we are, as an industry, doing quite well. Natural gas prices, although not at the highs we would like, are steady and trending upward; and what a ride the oil market has been. When compared to other industries in our struggling economy, oil and gas exploration is an exciting and busy place to be and this year's GCPSE will be a great showcase of prospects and industry networking.

I hope you will step away from your overcrowded desks for a few days, come to Lafayette and network with all of your similarly overworked friends, play a little golf, eat some great food, enjoy some of Louisiana's best hospitality and, most importantly, see all of the great prospects and opportunities for which the GCPSE has always been known.

Many prospect opportunities will be showcased, including those from the Haynesville and a wide array of shelf opportunities that have finally been released from regulatory prison, plus new emerging opportunities like the Tuscaloosa Marine Shale. As always, the traditional Southern Louisiana prospects remain the highlight of Gulf Coast prospecting.

Once again, GCPSE will start with the Louisiana Energy Golf Classic on October 17th. As with last year, booth and sponsor prices have been adjusted for this new one-day format and includes the storied LaFonda Restaurant Expo Kickoff party the night before the show for both exhibitors and viewers. As keeping with tradition, this year's expo will include lunch with a keynote address with a speaker to be determined.

Please make plans now to join us in Lafayette for the Gulf Coast Prospect & Shale Expo for what will most certainly be a great business building and networking show complete with all of what Cajun country has to offer. I look forward to seeing you there.

*Sincerely,*

**Bruce N. Smith**  
GCPSE 2011 Chairman

**GCPSE 11**

The Louisiana Oil and Gas Association (LOGA) will provide a forum for Exhibitors to present Viewers with oil and gas Prospects at the 2011 Gulf Coast Prospect & Shale Expo ("GCPSE '11") to be held on October 18, 2011 at the Cajundome Convention Center in Lafayette, Louisiana.

Providing a forum and facility where Exhibitors and Viewers can meet and make initial contact is LOGA's sole GCPSE '11 function. At the GCPSE '11, only general information regarding Prospects will be offered by the Exhibitors. Details regarding a particular Prospect will be discussed at locations other than the exposition site.

**DISCLAIMER AND RELEASE:** Neither LOGA nor its directors, officers, representatives, employees or members make any representation or warranty, express or implied, and each hereby disclaim all implied warranties as to: (i) the accuracy, completeness or materiality of any of the Prospect information, data, reports, materials, projections or records heretofore or hereafter furnished or made available or disclosed in connection with a Prospect; (ii) the presence of oil and gas in or under any Prospect or any portion thereof or the quantities or quality of hydrocarbon deposits or reserves; (iii) any results which might be expected from exploration, development or operation of any Prospect; (iv) production rates, recompletion opportunities, decline rates, gas balancing information, allowables or other regulatory matters; (v) the potential for the production of hydrocarbons from any Prospect; (vi) any estimate with respect to the value of a Prospect, and objections as the events that could or could not occur, and any matters included in or omitted from any information or material furnished in connection with a Prospect; (vii) oil and gas marketing and prices to be received for the sale of hydrocarbons; or (viii) the environmental condition of any Prospect and any liability related thereto or associated therewith.

Execution of this agreement, participation in GCPSE '11 and any purchase of a Prospect or any interest therein are undertaken with the understanding and agreement that: (i) oil and gas exploration, development and production activities inherently involve highly speculative activities in which results cannot always be predicted and which involve risk of loss; (ii) information furnished in connection with a Prospect is derived through the use of scientific or other techniques associated with the oil and gas business, and, as such, should not be relied upon as statements of fact; and, (iii) any reserve estimates, price calculations, price forecasts, exploration potential predictions or similar information contained in the materials furnished in connection with a Prospect are, or may well be estimates only and may not be indicative of actual results.

LOGA expressly disclaims any warranty or representation, express or implied, with respect to a particular Prospect or a particular interest therein. LOGA has not investigated: (i) the geologic or economic merit of any Prospect; or (ii) the environmental condition of any Prospect. LOGA and its directors, officers, representatives, employees, and members are hereby released from any and all liability which may be incurred or damage which may be sustained as a result of the review and/or purchase of any Prospect as a result of GCPSE '11.

You shall be solely responsible for any actions which you or your representatives take or advise others to take in reliance on any information furnished at the GCPSE '11 with respect to any Prospect, which is made available for purchase at the GCPSE '11, or any representations or use of Prospect information in violation of this agreement, and, you agree to protect, defend, indemnify and hold harmless LOGA, its directors, officers, representatives, employees, and members from and against any and all claims, lawsuits, liabilities, losses, damages, costs and expenses (including reasonable attorney's fees and costs) incurred, sustained, or resulting in any manner whatsoever by LOGA as a result of such reliance or breach by you or your representatives, employees or members either by acts or commission or omission.

**SEC STATEMENT.** You further acknowledge and represent to LOGA that: (i) you are able to bear the economic risk of any oil and gas investment you might decide to make; (ii) you are capable of evaluating the merits and risks of investments in oil and gas activities; (iii) any interest which you may acquire in any Prospect will be for your own account and not with a view toward the distribution or sale thereof, nor with any intention of distributing or selling any interests in a Prospect in violation of the Securities Act of 1933 or any other applicable federal or state securities laws or regulations; (iv) you are acting solely for your own account in making any evaluation; and, (v) this agreement is not, should not and will not be construed as a prospectus or other such offer to sell a security or an interest in oil and gas properties. A Prospect is or may be proprietary information of the Exhibitor providing such information may not be copied or distributed to any third party without the prior express written authorization of the Exhibitor to which such information is proprietary.

All viewer registration badges are NONTRANSFERABLE.

This agreement shall be construed in accordance with the laws of the State of Louisiana.

Please indicate your agreement to be bound by the foregoing by executing this agreement in the space provided **on the reverse side** and delivering an executed original/copy hereof to the Louisiana Oil and Gas Association which will evidence your agreement to the terms, provisions, disclaimers and disclosures included herein.

The Louisiana Oil & Gas Association (LOGA) will provide a forum for Exhibitors to present Viewers with oil and gas Prospects at the 2011 Gulf Coast Prospect & Shale Expo ("GCPSE '11") to be held on October 18, 2011 at the Cajundome Convention Center in Lafayette, Louisiana.

Providing a forum and facility where Exhibitors and Viewers can meet and make initial contact is LOGA's sole GCPSE '11 function. Since Exhibitor and its representatives will be permitted access to GCPSE '11, execution of this document evidences the agreement of Exhibitor and its representatives to all of the terms, provisions and conditions contained in the Viewer Registration Form for GCPSE '11.

Only general information regarding Prospects of interest will be offered by the Exhibitors at GCPSE '11. Only Prospects that Exhibitor owns or has a contractual right to sell will be shown at GCPSE '11. Exhibitor is solely responsible for preserving the confidentiality of any information that Exhibitor deems proprietary, including, but not limited to, the use of appropriate copyright or restrictive legends on Exhibitor's work. Details regarding a particular Prospect may only be discussed at locations other than the GCPSE '11.

Neither LOGA, nor any of the Sponsors of GCPSE '11, nor their directors, officers, representatives, employees or members make any representation or warranty as to any Prospect or the financial or sophistication level of any Viewer.

The GCPSE '11 exposition will be open on Tuesday, October 18, 2011, from 8:00 a.m. to 5:00 p.m. Exhibitors will be located in the Cajundome Convention Center located at 444 Cajundome Blvd., Lafayette, LA 70506. The exposition area will be available for exhibit setup on Monday, October 17, 2011, from 12:00 p.m. to 5:00 p.m. Exhibit tear down will be on Tuesday, October 18, 2011, from 5:00 p.m. to 8:00 p.m. and Wednesday, October 19, 2011, from 7:00 a.m. to 11:00 a.m. **Exhibitors will not be permitted to set up or tear down during the exhibition period.**

**AS AN EXHIBITOR, YOU WILL BE PROVIDED WITH \_\_\_\_\_ 10' X 10' BOOTH SPACE(S).** Booth locations will be assigned by LOGA based on received date. Booth space(s) will not be reserved nor will a number be assigned until the Exhibitor pays, in full, the amount due and returns a completed and fully executed copy of the Exhibitor Contract to LOGA. All decisions by LOGA regarding the location of booth space are final.

Each Prospect Exhibitor agrees to pay LOGA an exhibition fee of \$750.00 for each booth space reserved. Each Non-Prospect Exhibitor agrees to pay LOGA an exhibition fee of \$2000 (\$750 for additional booths). Each booth space will be 10' x 10' and will consist of the following:

- 1) One 10' background drape 2) 10' Side Drapes 3) One 3' Draped Table
- 4) Two chairs 5) One wastebasket

With each initial booth space, Exhibitor will be provided one - one line 7" x 44" identification sign which reads:

-----  
 (Exhibitor please print name of company as it should appear on identification sign)

If LOGA receives written notification from you of a request for cancellation of Exhibitor's booth space on or before October 1, 2011, you will receive a refund of 75% of all fees previously paid. After October 1, 2011, you can cancel your exhibit space, but you will not be due a refund of any fees previously paid. Cancellation penalties for additional services furnished by third parties shall be exclusively between the third party and the Exhibitor.

Upon LOGA's receipt of this contract executed by you, Freeman Decorating will provide you with an Exhibitor's Service Kit which will detail the additional costs for other furniture, electrical, booth equipment and service requirements. These services are being furnished by a contractor for which LOGA and the Sponsors make no warranty whatsoever, either expressed or implied. All arrangements for the additional terms mentioned in this paragraph are strictly between the Exhibitor and the contractor.

For each booth space, the Exhibitor will receive, at no additional charge, a total of four (4) Exhibitor registrations and badges. All Exhibitor registrations and badges are non-transferable.

It is expected that all displays will be done in a professional manner and that all representatives and Exhibitors (including third parties associated therewith) will conduct themselves in a professional manner. LOGA retains the right to cancel this agreement and to require the removal of any exhibit or Exhibitor's representative (including third parties associated therewith) which or who is unprofessional in LOGA's sole discretion. If such action is necessary there will be no refund of fees paid nor will LOGA nor any Sponsors/ Exhibitors be liable for any consequential damages.

**DISCLAIMER AND RELEASE.** Neither LOGA nor its directors, officers, representatives, employees or members make any representation or warranty, express or implied, and each hereby disclaim all implied warranties as to: (i) the accuracy, completeness or materiality of any of the Prospect information, data, reports, materials, projections or records heretofore or hereafter furnished or made available or disclosed in connection with a Prospect; (ii) the presence of oil and gas in or under any Prospect or

any portion thereof or the quantities or quality or hydrocarbon deposits or reserves; (iii) any results which might be expected from exploration, development or operation of any Prospect; (iv) production rates, recompletion opportunities, decline rates, gas balancing information, allowables or other regulatory matters; (v) the potential for the production of hydrocarbons from any Prospect; (vi) any estimate with respect to the value of a Prospect, any projections as to events that could or could not occur, and any matters included in or omitted from any information or material furnished in connection with a Prospect; (vii) oil and gas marketing and prices to be received for the sale of hydrocarbons; or (viii) the environmental condition of any Prospect and any liability related thereto or associated therewith.

Execution of this agreement, participation in the GCPSE '11 and any purchase of a Prospect or any interest therein are undertaken with the understanding and agreement that: (i) oil and gas exploration, development and production activities inherently involve highly speculative activities in which results cannot always be predicted and which involve risk of loss; (ii) information furnished in connection with a Prospect is derived through the use of scientific or other techniques associated with the oil and gas business, and should not be relied upon as statements of fact; and, (iii) any reserve estimates, price calculations, price forecasts, exploration potential predictions or similar information contained in the materials furnished in connection with a Prospect are, or may well be, estimates only and may not be indicative of actual results.

LOGA expressly disclaims any warranty or representation, express or implied, with respect to a particular Prospect or a particular interest therein. LOGA has not investigated (i) the geologic or economic merit of any Prospect or (ii) the environmental condition of any Prospect. LOGA and its directors, officers, representatives, employees, and members are hereby released from any and all liability which may be incurred or damage which may be sustained as a result of the review and/or purchase of any Prospect as a result of GCPSE '11.

You shall be solely responsible for any actions which you or your representatives take or advise others to take in reliance on any information furnished at the GCPSE '11 with respect to any Prospect which is made available for purchase at the GCPSE '11, or any representation or use of Prospect information in violation of this agreement, and you agree to protect, defend, indemnify and hold harmless LOGA, its directors, officers, representations, employees, and members from and against any and all claims, lawsuits, liabilities, losses, damages, costs and expenses (including reasonable attorneys fees and costs) incurred, sustained, or resulting in any manner whatsoever by LOGA as a result of such reliance or breach by you or your representations, employees or members either by acts of commission or omission.

**SEC STATEMENT.** You further acknowledge and represent to LOGA that: (i) you are able to bear the economic risk of any oil and gas investment you might decide to make; (ii) you are capable of evaluating the merits and risks of investments in oil and gas activities; (iii) any interest which you acquire in any Prospect will be for your own account and not with a view to the distribution or sale thereof nor with any intention of distributing or selling any interests in a Prospect in violation of the Securities Act of 1933 or any other applicable federal or state securities law or regulations; (iv) you are acting solely for your own account in making any evaluation; and (v) this agreement is not, should not and will not be construed as prospectus or other such offer to sell a security or an interest in oil and gas properties. A Prospect is or may be proprietary information of the Exhibitor providing such information and such information may not be copied or distributed to a third party without the prior express written authorization of the Exhibitor to which such information is proprietary.

This agreement shall be construed in accordance with the laws of the State of Louisiana.

Please indicate your agreement to be bound by the foregoing by executing this agreement in the space provided and delivering an executed original/copy hereof to the Louisiana Oil & Gas Association which will evidence your agreement to the terms, provisions, disclaimers and disclosures included herein.

Accepted and agreed to this \_\_\_\_\_ day of \_\_\_\_\_, 2011.
